INTRODUCTION

Thank you for deciding to purchase the Mini Stepper with LED Display and Training Ropes from Aidapt. The Mini Stepper is manufactured from the finest materials and components available, when used correctly it is designed to give many years of reliable trouble-free service.

BEFORE USE

- Carefully remove all packaging. Avoid using any knives of other sharp instruments as this
 may damage the surface of the product.
- Check the product for any visible damage If you see any damage or suspect a fault, do not use your product, but contact your supplier for support.

INTENDED USE

The Mini Stepper enables both upper and lower body exercise from a standing or seated position. Using the pedals provides strength training and exercise for the legs, hips and buttocks, while your arms and upper body muscles can be targeted with the removable latex ex-pander bands (training ropes).

SAFETY

- Please consult a medical professional before undertaking a new form of exercise or using new exercise equipment.
- As with all forms of exercise, do not use the Mini Stepper if you feel unwell or immediately after eating.
- Always ensure that you perform an adequate Warm Up before and Cool Down after exercising.
- Use the Mini Stepper only on solid, flat floors.
- Use a fixed handrail for balance and support if necessary.
- Wear suitable clothing and footwear. You can also use the Mini Stepper with bare feet if you prefer.
- Do not touch or insert any objects into the moving parts while the Mini Stepper is in use.
- This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved.
- Children shall not play with the appliance.
- Cleaning and user maintenance shall not be made by children without supervision.
- The weight capacity is 110kg.

INSTRUCTIONS FOR USE

- 1. Place the Mini Stepper on a dry, solid, flat area of floor. You may prefer to position the Mini Stepper so that you have access to a fixed handrail for support and balance during use.
- To operate the pedals, carefully put each foot onto the onto the Mini Stepper and press down to push alternate pedals to the ground. Always exercise at a comfortable pace for you.
- 3. To use the removable Training Ropes, attach each rope to the loop at the top of each bar supporting the step. Take hold of one rubber is ed hand grip with each hand and bend/relax your arms in order to exercise with the resistance of the bands.
- Take care not to allow the Training Ropes to become tangled in the equipment, especially when moving onto and off the Mini Stepper and during use.
- When you have finished your exercise session, carefully step down from the Mini Stepper and store it away when not in use.

USING THE BUILT-IN COMPUTER FUNCTIONS

SCAN Automatically scrolls through each function in sequence
COUNT Displays the total number of strides during workout sessions.
TIME Counts from zero up to 99:59 in one second increments

CALORIES Displays total calories used during exercise. NB. This is a rough

guide only and should be used as a comparison over several

exercise sessions.

REPS/MIN Displays the number of strides/minute.

MODE/RESET 1.)Press to select function .cushor switch from

TIME ,CALORIES ,STRIDES to SCAN.
2.)Hold for 5 seconds to reset all values to zero.

NOTE

To turn on the power, press any button or start to exercise.

If no signal is transmitted to the computer for 4 minutes, the computer display will shut off automatically.

Requires 1 x AAA battery.

How to replace the battery?

If the counter can't display digital clearly, pls switch the battery as the below step.

CLEANING

Clean your Mini Stepper using a non-abrasive cleaner or mild detergent with a soft cloth. Abrasive cleaners e.g. AJAX and/ or abrasive cleaning pads may seriously damage the product beyond repair and should not be used. Always ensure that you wipe dry the equipment after cleaning.

DISPOSAL AND RECYCLING

You must not dispose of this appliance with domestic household waste. Most local authorities have specific collection system for appliances and disposal is free of charge to the end-user. When replacing an existing appliance with a similar new appliance your retailer may take the old appliance for disposal.

REISSUE

If you reissue or are about to reissue this product, please thoroughly check all components for their safety.

This includes:

- Tightness of all nuts/ bolts/castors
- Other screw in/ bolt in/ push in components.

If in any doubt, please do not issue or use, but immediately contact your supplier for service support.

CARE & MAINTENANCE

Please make a safety check of the product at regular intervals or if you have any concerns.
